Dear Prospective Student,

Thank you for your interest in Landmark Baptist College. We are thrilled that you have considered us for your Bible College training. I trust that the Lord will guide you in this very crucial decision.

Landmark Baptist College has been operating for over 40 years. Our first emphasis here is the Holy Scriptures. Some treat the Bible as a mystical book that is not practical and hard to be understood. I do not believe the Bible is beyond our understanding. The Bible says in 2 Timothy 2:17, "Consider what I say; and the Lord give thee understanding in all things."

I believe that as we give God's Word consideration, He will grant us understanding in both the spiritual and practical areas of His ministry. At Landmark Baptist College we strive to preach and teach the Bible. We want our teaching and our work to be sound, so that Word of God is the foundation for every degree we offer.

Again, we thank you for your interest in our school. If you have any other questions please contact us soon.

In His service and yours,

Barry Parsons Sr.

FROM OUR
PASTOR &
PRESIDENT

Dear Prospective Student,

Thank you for your consideration of Landmark Baptist College. Since 1979, Landmark has consistently been training students for service in the Lord's work.

Landmark Baptist College is a "local church" based ministry. Therefore, students are able to get up-front, hands-on experience that enables them to begin serving the Lord now rather than waiting until they are "on the field."

Through the years, LBC has always been committed to our Baptist heritage, the inspiration and preservation of God's Word, evangelistic soul winning, and the fundamental Bible doctrines upon which the church was originally founded. Here at Landmark Baptist College, students receive training in all of these areas as well as various practical aspects of the ministry. I invite you to come be a part of an exciting church and ministry that never stops moving. Come and see for yourself "what great things He hath done!"

Sincerely,

A handwritten signature in black ink that reads "Dr. Mickey Carter". The signature is fluid and cursive, with the first letters of "Dr.", "Mickey", and "Carter" being capitalized and prominent.

GENERAL INFORMATION

History of Landmark Baptist College

For a complete history of Landmark Baptist Church and Landmark Baptist College, please visit our website www.landmarkbaptistcollege.com.

In January of 1971, the First Missionary Baptist Church in Haines City, Florida needed a new pastor and they called Mickey Carter to come take the position. After Pastor Carter accepted the pastorate, his first message was based upon Proverbs 29:18a, "Where there is no vision, the people perish." Thirty-seven people were present that day. Since then, although the church has grown in attendance, it is still characterized by a vision, growth, and an intense outreach that is constantly expanding. In 2009, Sunday School attendance averaged over 1,200 a week with a high day of 4,240.

Within the first few weeks of Pastor Carter's arrival, a bus ministry was started. Pastor Carter started the first three bus routes and over the years the bus ministry has grown to as many as 17 bus routes. The first of many, this outreach program was started for the sole purpose of carrying the good news of the Gospel not only to Central Florida but throughout the world.

Throughout the years, various other ministries have been instituted to carry out the church's commitment to aggressive evangelism, the infallibility and preservation of the Word of God, Christian education, and the preservation of our Baptist heritage. These ministries include the Landmark Christian Elementary, Junior High, and High school, the Freedom Baptist Homeschooling Curriculum, Camp Glory (a beautiful 50-acre wooded Christian camp four miles from the church), the operation of a church radio station (WLVF 90.3FM - both Internet and airwave), the Senior Patriots ministry, Landmark Baptist Senior Retirement Village, and many more.

In 1979, the original name of First Missionary Baptist Church was changed to Landmark Baptist Church. Based upon Proverbs 22:28, "Remove not the ancient landmark, which thy fathers have set," this change shows the church's commitment to remain strong and stand firm as a light for all of central Florida and the greater surrounding areas.

During that same year, Pastor Carter was burdened to found a college dedicated to the same principles upon which the church was built. For over thirty years, Landmark Baptist College has successfully trained pastors, Christian school teachers, evangelists, missionaries, and other local church staff for service in the ministry of our Lord.

In 1993, the college published *Things That are Different are Not the Same*. This book was written by Pastor Carter in defense of the King James Bible and against its critics. Throughout the years, Landmark Baptist College has become a leader in the study and defense of the King James Bible in a time when even many evangelicals are attacking it.

In 1997, Landmark Baptist College moved forward in growth and expansion. The historic, ten-story Palm Crest Hotel in downtown Haines City was obtained and renovated for use as a college campus. Since then, LBC has also obtained additional facilities that have provided a greatly increased number of dorm rooms, classrooms, a beautiful chapel, bookstore, social parlor, snack shop and recreation room, along with many other benefits.

Throughout the years, Landmark Baptist College has led the way in fighting for all Bible colleges in Florida that they may be able to retain religious freedom. In 2002, a great victory was won when a major amendment was passed in the state of Florida, securing religious liberty for all Bible colleges across the entire state.

Doctrinal Statement

Landmark Baptist Church and College is proud of its Baptist doctrine, practice, and heritage. We are proud to defend the fundamentals of the faith, and we support without compromise the old King James Bible. We believe in aggressive evangelism, the preservation of God's Word, Christian Education and the local church.

A Bible Baptist is one who believes in a supernatural Bible, which tells of a supernatural Christ, Who had a supernatural birth, Who spoke supernatural words, Who performed supernatural miracles, Who lived a supernatural life, Who died a supernatural death, Who rose in supernatural splendor, and Who will one day return in supernatural glory to establish a supernatural kingdom on earth.

THE BIBLE

We believe the Bible to be the inspired, the only infallible, authoritative Word of God and that He has preserved it for the English-speaking world in the Authorized King James Version. (Please see the following section for our stand on the King James Bible)

THE GODHEAD

We believe that there is one God, the source, support, and end of all things, eternally existent in three persons: Father, Son and Holy Spirit.

THE SON

We believe in the deity of our Lord Jesus Christ; in His Virgin Birth; in His sinless life; in His miracles; in His vicarious and atoning death; in His shed blood; in His bodily resurrection; in His ascension to the Father's right hand; and in His personal, premillennial return for His saints and with His saints at the Revelation.

FALL OF MAN

We believe that man is totally depraved, a sinner (lost) by nature and by divine decree, therefore in need of the convicting and regenerating ministry of the Holy Spirit.

SATAN

We believe in the personality of Satan; in his power and kingdom; in his wiles; and in his judgment at the cross and his eternal destruction in Hell.

THE HOLY SPIRIT

We believe in the present ministry of the Holy Spirit; that He convicts the sinner; regenerates the one who believes; indwells, seals, instructs, reproves and guides the believer; that He fills and controls every life that is wholly yielded to Him. However, we are not Pentecostals or Charismatic.

FREENESS OF SALVATION

We believe that salvation is the gift of God offered to man by His grace and received by personal faith in the Lord Jesus Christ.

THE RESURRECTION

We believe in the bodily resurrection of the saved unto “life” and the unsaved unto “judgment” and everlasting damnation.

THE CHURCH

We believe that a Scriptural church is a visible assembly of baptized believers, covenanted together under the New Testament for the purpose of carrying out the Great Commission. The church is a self-governed, independent body having Christ as the Head, the Holy Spirit for its guide, and the Bible as the only rule of faith and practice. The only Scriptural offices of the church are the bishop (or pastor) and deacons. The two ordinances of the local church are Baptism and the Lord’s Supper.

CREATION

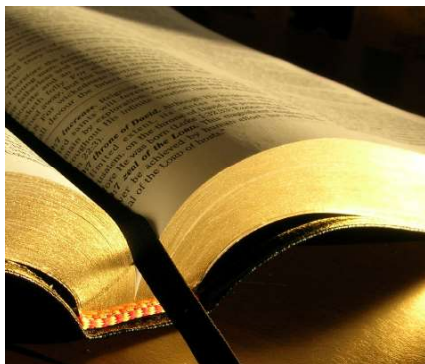

We believe in the special creation of the existing space-time universe and all its basic systems and kinds of organisms in the six literal days of the creation week and in the full historicity and perspicuity of the Biblical record of primeval history. This includes the literal existence of Adam and Eve as the progenitors of all people, the literal fall and resultant divine curse on the creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel.

SEPARATION FROM THE WORLD

We believe that all the saved are called unto a life of separation from worldly and sinful practices. A person who has truly accepted Christ as Saviour is a new creation in Christ; therefore, he should live a holy, consecrated life. He should separate himself from the world and all its lust in obedience to God’s command.

King James Bible

We believe that the Holy Bible was written by men supernaturally inspired; that it has truth without any admixture of error for its matter; and therefore is, and shall remain to the end of the age, the only complete and final revelation of the will of God to man, the true center of Christian union and the supreme standard by which all human conduct, creeds, and opinions should be tried.

We believe that the Holy Bible is the verbally plenary inspired product of God the Holy Spirit. Further, we hold that God has given and preserved for us that which was originally written in the King James Authorized Version and we hold the KJAV to be without error. This statement of faith can in no way abrogate or amplify our true authority, which is the King James Bible Itself. The KJAV to which we refer

contains 66 books that were supernaturally written, and we do not refer to any other version or book. It is therefore necessary that no other book be preached or taught. The King James Bible which we hold in our hand is God's perfect word (The Holy Scripture) and is our final and absolute authority in all matters of faith and practice. The doctrine of inspiration and preservation cannot be separated. They are just as divinely linked as Grace and Faith.

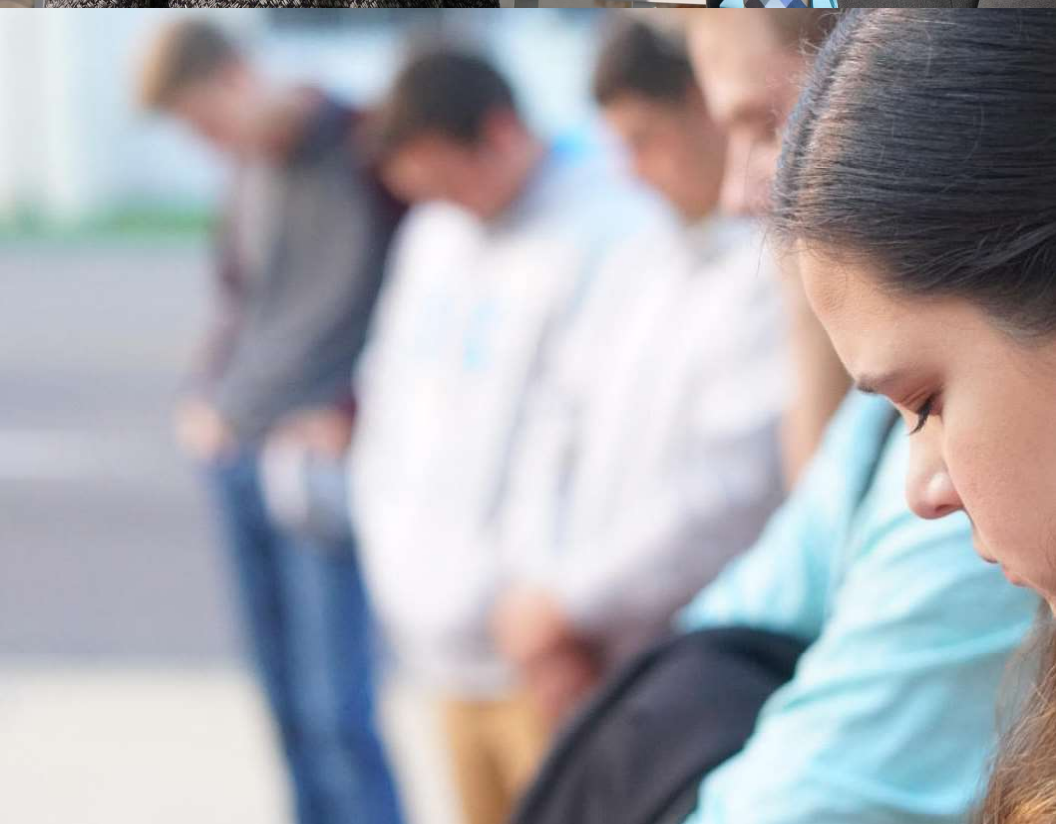

II Tim. 3:16-17; II Peter 1:19-21; Acts 1:16; Acts 28:15; Psalm 119:89, 105, 130, 160; Luke 24:25-27; John 17:17; Luke 24:44-45; Prov. 30:5-6; Rom. 3:4; I Peter 1:23; Rom. 15:4; Luke 16:31; Ps. 19:7-11; John 5:45-47; John 5:39

Accreditation

Landmark Baptist College considers it inappropriate to ask a non-Christian educational system to accredit Bible college training. Landmark Baptist College is further unwilling to make the compromises in academic excellence and spiritual standards necessary to obtain the approval of the world.

Students at Landmark Baptist College are not eligible for government-sponsored grant or loan programs due to our religious convictions. As an alternative to the government sponsored programs, the following scholarships are available to students attending the Haines City Campus.

FIRST YEAR FREE SCHOLARSHIP

As a ministry of Landmark Baptist Church, it is our desire to see young people give the first year after high school to the Lord. Whether the student chooses to continue their education at LBC, or elsewhere, they will have a firm, Bible foundation to build on. This scholarship allows the student to attend the first year of college without paying tuition. Registration, room, and students fees are the only cost required.

FIRST STUDENT SCHOLARSHIP

The first student to enroll from a Baptist church which has not had a student at Landmark Baptist College within the last ten years is eligible. The scholarship, in the amount of \$1,000, will be applied to the tuition for the student's second consecutive year at Landmark Baptist College. The amount will be awarded in two increments of \$500 each semester.

ACADEMIC SCHOLARSHIP

A student enrolling at Landmark Baptist College who graduated from high school with a 3.5 grade point average (on a 4.0 scale) or having a composite ACT score of 25 or higher or a total SAT score of 1150 or higher is eligible. The scholarship, in the amount of \$1,600, will be applied to the tuition for the student's second consecutive year at Landmark Baptist College. The amount will be awarded in two increments of \$700 each semester.

MINISTRY SCHOLARSHIP

A student whose parents are in full-time Christian service with a fundamental, independent Baptist church is eligible. This would include, but is not limited to, pastors' children and children of missionaries. The one time scholarship, in the amount of \$1,000, will be applied to the tuition for the student's second consecutive year at Landmark Baptist College. The amount will be awarded in two increments of \$500 each semester.

WORK/STUDY ASSISTANCE

A limited number of scholarships are available each year. Students who are interested should apply early. *Scholarships may not be combined or used in succession of one another.* All scholarships listed above are only applicable to students who have been accepted for admission and whose fees are paid.

General Academic Information

UNIT OF CREDIT

The unit of credit is the semester hour. A semester hour is one 50-minute period of instruction, per week, for 15 weeks (or the equivalent of such time).

TRANSFER OF CREDITS

Landmark Baptist College joins with private and public collegiate-level institutions, both in Florida and nationally, in agreeing to accept transfer credits which apply to specific programs offered. Each institution of higher learning reserves the right on an individual student basis to determine what transfer credits it will or will not accept. Therefore, no institution of higher learning can guarantee 100% transferability of credits to another. Landmark Baptist College graduates and/or transferring students have successfully transferred credits to many other institutions of higher learning.

Landmark Baptist College will consider transfer credits earned in a regular college or university with collegiate-level instruction. Only credits with a grade of "C" or above may be transferred. Student grade-point average for graduation at Landmark Baptist College will be based solely upon credits earned at Landmark Baptist College. Landmark Baptist College reserves the right to withhold recognition of credits that, in the opinion of the Administration, do not meet reasonable academic criteria.

EXPERIENTIAL LEARNING CREDITS (ELC'S)

Experiential Learning Credits (ELC's) may be applicable if documentation is submitted by the student. This will consist of a biographical/chronological resume of prior experience and learning, providing the person has a minimum of ten years Christian Service and/or work experience. The granting of ELC is predicated upon the student's matriculation and completion of a degree program; therefore, ELC's are not available on a transcript until the student graduates from LBC.

PROGRAM EVALUATION

A student or Administration may request a program evaluation at any time during a student's tenure at Landmark Baptist College. A program evaluation includes determination of the program, ability to continue or maintain requirements of a selected program, the transfer of credits, and the applicability of Experiential Learning Credits (ELC's).

GRADING SYSTEM

Course grades will be determined by the compilation of all tests, memory work, term paper grades, and any other assignments given during the course session, according to the value scale established by the professor and applied equally to all students in the class. All courses must be completed by the semester's last class day for undergraduate and graduate students. Exceptions can only be granted through the approval of both the Dean of the College and the Academic Dean.

A student must achieve a final grade point average of 2.00 (at least twice as many grade points as credit hours attempted) or higher for all courses taken at Landmark Baptist College in order to satisfy the grade-point requirement for graduation. Graduate students (both Master's and Doctoral) must achieve a final grade point average of 2.75 or higher in order to satisfy the grade-point requirement for graduation.

STUDENT LOAD

The normal full-time undergraduate student load is 16-18 credit hours per semester. The normal full-time graduate load is 9-12 credit hours per semester.

MAXIMUM COURSE LOAD

A maximum course load is 20 credit hours. This maximum credit total includes extra credit, correspondence, and/or Directed Studies course work in which a student is currently enrolled. Students must have approval from the Academic Dean to exceed the load limit. The student load requirement for his major, as well as his ability to maintain a grade-point average of 2.00 or above while completing the program of study, will be taken into consideration.

IRREGULAR SCHEDULING

Landmark Baptist College cannot guarantee to schedule courses for the convenience of individual students who cannot or do not take courses in their regularly scheduled sequence.

REGISTRATION

Registration time for each semester is listed on the Landmark Baptist College calendar. Students registering after the registration deadline each semester must pay a late registration fee.

SEMESTERS

Landmark Baptist College has a term of two regular semesters of instruction (Fall and Spring) and summer modular sessions when offered.

COURSE CHANGES

Additions

A student may add a course to his schedule (after obtaining approval) during the drop/add period each semester. An add-course fee will be charged.

Drops

Courses dropped (with approval) during the drop/add period will not show a failing grade. A grade of "F" will be recorded on courses dropped after the drop period. A drop-course fee will be charged.

Withdrawals

When circumstances force a student to withdraw from Landmark Baptist College, a withdrawal form must be properly executed. A withdrawal deemed honorable by the Academic Affairs Office will have an honorable withdrawal recorded as "W". All dishonorable, unregistered withdrawals will be recorded as failures.

COURSE CANCELLATION

Any course with insufficient enrollment may be canceled at the discretion of the Administration.

DIRECTED STUDIES INFORMATION

Directed Studies Distance Learning Program

The Directed Studies Program has been designed for the self-motivated, mature student who desires to complete his degree and cannot attend classes on campus at Landmark Baptist College. The DS program allows the full-time Christian worker, the actively employed, the military personnel currently serving in the armed forces, and the busy Christian to receive a fundamental Bible college education. Although nothing can take the place of being in the classroom, LBC has developed the most efficient and practical distance learning program possible.

Landmark Baptist College brings traditional college courses to you on digital copy or DVD. Each student is taught by the same professors, textbooks, materials, and exams used at the Haines City Campus via the recording of actual classes. Through the

use of actual professors on video and in-field test proctors, your work earns college credits rather than correspondence credits. Degrees are conferred at Landmark Baptist College, Haines City, Florida.

Each Directed Studies course is taken one-at-a-time at the convenience of the student. Tests and quizzes are administered by an LBC-approved test proctor in the student's local church (pastor or appointed staff member). Each student is given 4 months (undergraduate) or 6 months (graduate) to complete the class and course requirements. Upon which time all loaned material, such as DVDs or select textbooks, are returned.

DEGREES OFFERED

Most undergraduate and graduate degrees offered by Landmark Baptist College are available through the Directed Studies Program.

FULL-TIME STUDENT PACKAGES

Full-time Student Packages are available to students who wish to take a full-time course load of 12-18 credit hours. Each package is catered to the student's degree and allows the student to graduate in a more timely manner. Directed Studies semesters are 6 months in length and do not have to coincide with the on-campus schedule. Full-time student semesters are not available for graduate studies.

COURSE REGISTRATION FEE

Registration fees include all textbooks and course outlines. Single course registration fees must be paid in full at the time of registration. The Full-Time Student Semester fee may be paid in three equal payments with first payment due at time of registration. First time students are required to pay a \$20 new student fee. Registration fees are as follows:

3-Credit-hour course	\$315
2-Credit-hour course	\$225
Full-Time Student Semester	\$1620

DIRECTED STUDIES CENTERS

Directed Studies Centers are held in a local, fundamental, Baptist church under the supervision of the pastor/designee. This group study creates a learning environment and interaction involving other students. Any local, fundamental church pastor who is in agreement with the tenets and practices of Landmark Baptist Church and College may inquire and qualify for starting a Directed Studies Center. A church must have at least five students to qualify.

DIRECTED STUDIES PROCEDURES

- All Directed Studies students must complete the entire application process and be officially accepted by the college prior to registering for their first course. Upon acceptance, a list of available Directed Studies courses and a registration form will be sent to the student.
- Full payment is required at the time of registration. The student must also submit the name and address of a test proctor, normally the pastor or appointed staff member, who will administer the tests. LBC reserves the right to offer substitutions for classes not available at time of registration.

- After registration, course materials, textbooks, and videos are sent to the student to begin the course. The student's proctor will receive a test packet with the tests, quizzes, instructions, and pre-stamped envelopes to return the completed material for grading.
- All course requirements must be submitted and DVDs (when applicable) returned by the designated due date for the class to be complete.

OTHER PROGRAMS AVAILABLE

The Directed Studies Program also offers Pastoral Refresher Courses, Layman Courses, and a One- or Two-Year Bible Certificate. The Christian Soldier Program offers a considerable discount to those currently serving in the military. Please contact Landmark Baptist College for more information.
